Who We Are

Treasure Coast Community Health is Indian River County's first and only Federally Qualified Health Center and a non-profit, 501c (3) organization.

Founded in 1993, Treasure Coast Community Health was originally intended to treat migrant farm workers and consisted of a handful of volunteer providers who performed routine checkups.

After 26 years, TCCH has grown to serve more than 23,000 patients annually at seven service sites across Indian River County.

In celebration of 26 years of service to Indian River County, TCCH is hosting a golf tournament fundraiser at the beautiful Hawk's Nest Golf Club.

TCCH opens their hearts, doors, and services to all, regardless of one's ability to pay. Your sponsorship would provide exceptional, affordable, primary care for Indian River County residents in need.

Thank you for helping us provide healthcare to ALL people.
